A TOUCH OF ZIEGFELD

Helen
Morris

informed

our C.O.P.

family back in

November of

2008 that she was

going to perform

for her second

consecutive year in The

Broadway Ziegfeld Entertainers

Revue at the Crest Theater in Delray

Beach. A few of our C.O.P. members

got together to show her their support.

What an evening of song and dance.

sequined gowns and
plumed hats, the
performance was

spectacular. Helen

has been tap and

line dancing for

two years as

well as ballroom

dancing. She was

born in Toronto,

Canada and has been

living in Century Village

for 15 years, she has been an active

C.O.P. member for six years and holds

the rank of Captain. Thanks Helen for a

wonderful evening of pure entertainment.

We're looking forward to seeing your

performance again next year.

JUST A BIT OF TRIVIA:

Did you know that the Town of Deerfield was incorporated on June 11, 1925 with 1,300 residents. In 1939 the name was changed to the City of Deerfield Beach.

The City's present year-round population of 77,500 grows to approximately 100,000 in the winter months.

RECENT HAPPENINGS:

Did you know why a C.O.P. member or any person should not exit their vehicle while on a K-9 search?

Two of our C.O.P.'s were out patrolling when they came upon a area sealed off by B.S.O. Upon stopping, the C.O.P.'s were given a description of a suspect and told that if the suspect was spotted to call 911 immediately and not to get out of the car. The reason for staying inside the car was so they would not contaminate the smell the K-9 dogs had picked up from the suspects clothing. The suspect was later found by B.S.O. , and now we know why they were not allowed out of their C.O.P. vehicle. C.O.P. drivers must obey all traffic laws while patrolling. No flashing lights, no speeding, no running stops signs or signal lights unless designated to do so by an officer of B.S.O. Never get out of your vehicle during any search.
